

Cowboy Action Safety Brief

Ask Scouts the 3 rules

- 1) Always keep the gun pointed in a safe direction,**
- 2) Always keep your finger off the trigger until ready to shoot, and**
- 3) Always keep the gun unloaded until ready to use.**

These rules apply to all firearms, regardless of type.

What is a safe direction in this case? Down Range.

Keep your finger off the trigger while picking up the firearm.

Unless you are the shooter, you must remain at the rear of the range.

Eyes and Ears are always required while on this range.

Range Commands

Stop or Cease Fire.

This means stop and freeze! You will be instructed about what to do next.

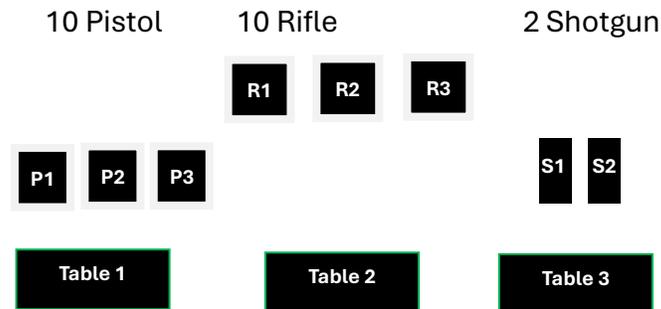

The Process

- You will be called to the firing line.
- Your firearms will already be loaded.
- You will move to the starting position and when ready say your starting line.
- The RSO will give the command "STAND BY"
- After 1 to 2 seconds you will hear a BEEP.
- Only after you hear the BEEP can you start engaging the targets.
- After the course of fire you will be instructed to move off the firing line.

Demonstrate how to use the different firearms.

Any Questions?

The Apple Dumpling Gang has terrorized Lexington for years. They are wanted for Bank Robbery, Stagecoach Robbery, Cattle Rustling, Horse Rustling, and Stealing candy from Mr. Johnson's General Store. They are now on their way to Camp McKee. You must protect your fellow campers.

Your hands are at High surrender. Shooter Indicates ready by saying the line.

“Bout Time This Town Had A New Sheriff”
